

Feature:

1. Gooseneck microphone input, red light ring switch indication, prelude prompt tone
2. Unidirectional condenser microphone, high-quality sound pickup
3. Multi-stage high-performance SAW filter, with good anti-mobile phone, electromagnetic, high-frequency interference ability

Specification:

Directivity	unidirectional
Output impedance	200Ω±30%
Sensitivity	47dB±3dB
Power supply	DC 3V
