

### Feature:

1. Narrow curved profile design for a stylish and elegant appearance
2. Safe and reliable housing made of UV-resistant ABS material. Thickened housing reduces resonance, making it durable, fade-resistant, and resistant to oxidation
3. 6.5-inch full-range woofer with a moisture-proof paper cone and rubber rim. Y35 external magnet design. Polypropylene diaphragm for stronger bass
4. Tweeter with moisture-proof paper cone for a clear, rounded, and bright sound
5. 0.8mm 1060 pure aluminum grille, hardened and treated for oxidation resistance, for durability and rust resistance
6. Wire-clip terminals. Power selectable, easy wiring
7. E-type pure copper wire audio transformer ensures audio output fidelity, high power, and high efficiency, reaching up to 90%
