

Feature:

1. Supports 4 amplifier inputs and 16 output zones
2. Output signal indicator
3. Supports manual zone control
4. 2U rack-mountable structure with a corrosion-resistant aluminum black brushed panel

Specification:

Power Supply	AC 220-240V/50-60Hz
Power Consumption	30W
Dimensions	482*375*88mm
Net Weight	6.5Kg
