

Feature:

1. 10-channel arbitrarily selectable monitoring
2. Adjustable monitoring volume
3. 10-channel level display
4. Built-in monitoring speaker
5. 2U rack-mount structure, corrosion-resistant aluminum black brushed panel

Specification:

Power supply	AC 220-240V/50-60Hz
Power consumption	25W
Dimensions	482*375*88mm
Net weight	4.8kg
